ABOUT INNOFEST INDIA 3.0

The Federation of Unicorn Innovative Startups & Industry (FUI SI), in collaboration with the Poddar Group of Institutions, launched "Innofest India" under the visionary leadership of Dr. Anand Poddar, Chairman & Founder of Poddar Group and FUI SI. The Fest was first inaugurated by our Hon'ble Governor Haribhau Kisanrao Bagade, who congratulated and encouraged us, affirming that we are on the right path toward the ultimate vision of "creating job creators" not just in Rising Rajasthan, but across India. Innofest India aims to bring together startups, budding entrepreneurs, investors, venture capitalists, corporates, industry leaders, students, and academicians on a common platform fostering an atmosphere of inspiration, innovation, and meaningful collaboration. From signature talks and one-on-one pitching sessions to funding opportunities, this fest is a launchpad for those who aspire to rise and lead.
